SERVICE BULLETIN

SLC 500 End of Life

ATTENTION!

Dear Valued Customer,

It is our responsibility to inform you that Allen-Bradley's SLC 500 platform has many already discontinued components with more reaching end of life by the end of October 2024.

As a valued customer Granco Clark wanted to get this notice out so you can explore options of replacing or upgrading your current controls system. If you are interested in a controls or processor upgrade, please reach out to your salesman or email sales@grancoclark.com
